FEASIBILITY STUDY

To transform ideas into action, it is important to understand their feasibility. We can help you assess the practicality of your business idea before you decide to go ahead.

BUSINESS PLAN

A business plan is a comprehensive plan of a project which is justified with market research, financial projections, and analysis of other factors like personnel and competition. We can help you enlist your objectives and chart out a course of action.

FINANCIAL MODELLING

Financial modeling is a crucial tool to understand future financial performance of the business.

Change in one variable can affect the final return. So as to make significant decision all the factors need to be considered precisely.

COMPANY PROFILE

It is your brand's professional introduction of the business. A well-crafted company profile is a way to make yourself stand out from the competition and showcase how unique you are.

BUSINESS VALUATION

Business valuation helps to capture the present value of a business. We can help you evaluate your business using different methods, based on the purpose.

PITCH DECK

Pitch deck is a visual presentation of your business plan. Speak Loudly Speak Visually.

PRODUCT PRICING

Businesses need to maintain their competitive edge through the right pricing. Right decision can be driven over accurate costing.

OTHER SERVICES

Based on your needs, we both business and financial consultancy. We offer services like financial assessment and analysis, customized reports, online bookkeeping via software, auditing, NRI return, and other corporate services pertaining to finance and accounting.

Benefits to You

Benefits of being associated with Rifatrek include:
