# RENOVATION & INTERIOR

# INTERIOR

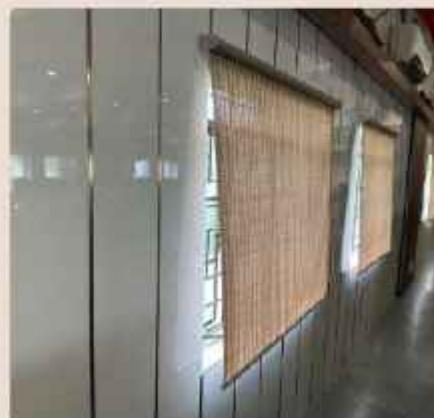

We specialize in comprehensive renovation and interior solutions tailored to elevate residential, commercial, and institutional spaces. Our expert team blends functionality with aesthetic excellence, ensuring every project reflects modern design trends while respecting structural integrity and client vision.

## Our services include:

- Structural Works: Civil remodeling, flooring, ceilings, and wall finishes
- Interiors: Modular kitchens, wardrobes, furniture, and turnkey execution
- MEP Upgrades: Electrical rewiring, modern fixtures, and concealed plumbing
- Finishing Touches: Painting, textures, lighting, curtains, and décor elements

**M.S.  
&  
ALUMINIUM  
FABRICATION**

Expert fabrication solutions in Mild Steel and Aluminium, crafted to combine strength, safety, and design for residential and commercial needs.

Services include:

- Custom grills, gates, doors, and railings
- Aluminium partitions, sliding windows, and doors
- Structural sheds, frames, canopies
- On-site welding and fabrication support

# GLOWSIGN & ACRYLIC BOARDS

As a Certified Visual & Branding Solutions  
for Every Sector

As a government-approved supplier, we  
deliver premium signage and display  
boards that meet industry and regulatory  
standards.

Services include:

- Glowsign boards, LED signage, 3D acrylic letters, ACP signboards
- Institutional and commercial board printing and installation
- Supply for government tenders, schools, hospitals, and organizations

Your trusted partner for high-visibility  
signage and official procurement  
support.

# STEEL & WOODEN FURNINTURE

## Elegant, Functional & Long-Lasting Furniture Solutions

We craft and supply furniture designed for comfort, utility, and aesthetics—ideal for homes, offices, institutions, and commercial use.

### Furniture categories:

- Wooden Furniture: Beds, wardrobes, TV units, study desks, modular kitchens
- Steel Furniture: Office tables, storage units, lockers, and racks
- Customized Builds: Made-to-measure pieces that match your space and interior.

Durable craftsmanship combined with modern design and ergonomic comfort.

# KITCHEN APPLIANCES

Smart kitchen appliances for modern households and businesses.

- Home Essentials: Chimneys, gas stoves, water purifiers, and induction cooktops.
- Commercial Use: Industrial burners, tandoors, ovens, and exhaust systems.
- Installation & Servicing: Setup and maintenance support for hassle-free usage

Elevate your cooking experience with cutting-edge appliances.

# ELECTRICAL & ELECTRONIC GOODS

A comprehensive range of dependable and branded electronic products.

- Electrical Fittings: Switchboards, wiring, LED lighting, and panel boards.
- Home Appliances: Fans, geysers, stabilizers, and inverters.
- Office Electronics: Projectors, UPS systems, and display units.

Power your premises with reliable electrical and electronic essentials.

# SYNTHETIC LAYERING OF EXISTING COURT
