

SAIFEE

Hydraulics & Engineering Co.

Empowering fluid solutions: Your source for precision,
performance & possibilities

HYDRAULIC HOSE CRIMPING UNIT

We offer a wide range of high-quality hydraulic hose assemblies designed to meet the demands of various industrial applications.

CUSTOMIZATION

Our hydraulic hose assemblies are customizable to meet specific requirements.

Straight Assemblies

Elbow Assemblies

Multi-Bend Assemblies

Custom Lengths and Diameters

The background of the entire page is a close-up, slightly blurred photograph of various hydraulic components. In the foreground, several black hydraulic hoses with silver-colored metal fittings are visible, some connected in a bundle. In the background, more complex machinery with various pipes, valves, and electrical wiring is visible, creating a technical and industrial atmosphere.

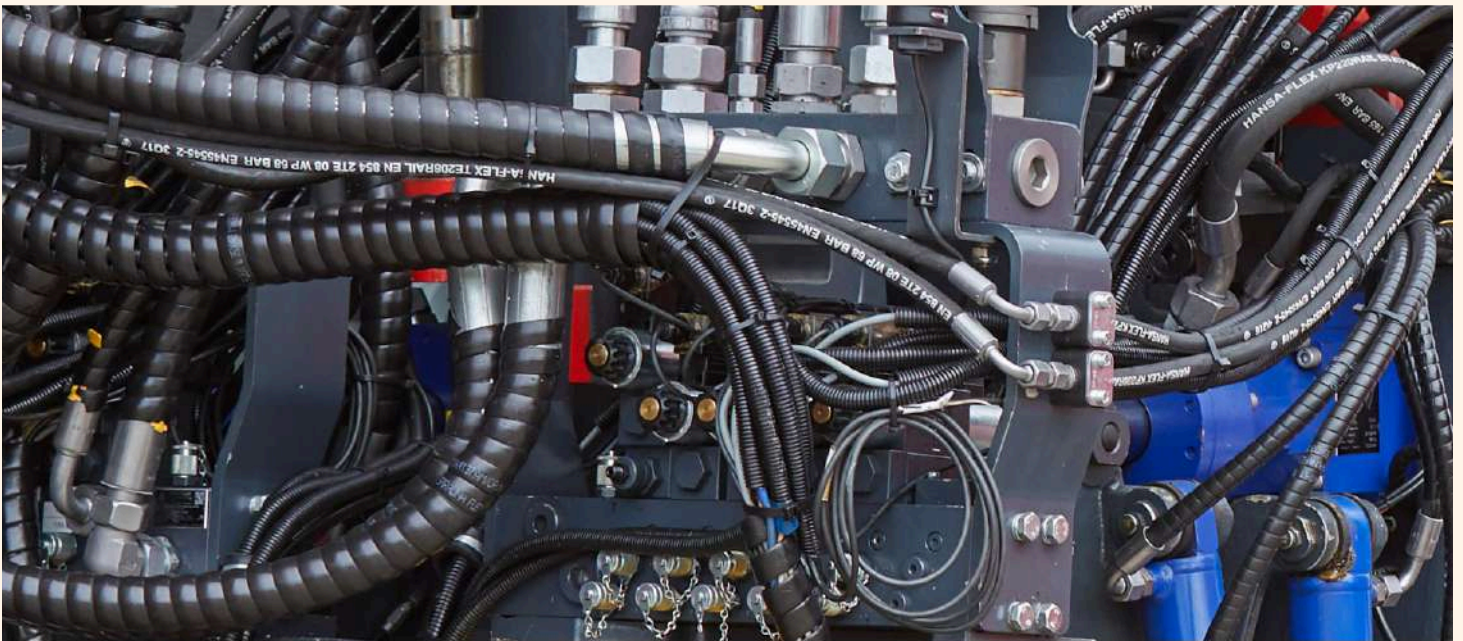

HYDRAULIC HOSE

Whether you need hoses for high-pressure systems, corrosive environments, or general applications, we have the right solution for you.

PERFORMANCE ELASTOMETER RUBBER HOSE

Designed to meet the highest standards of performance and reliability. These hoses are built to handle high-pressure hydraulic applications and provide flexibility and durability.

We endeavor to satisfy and provide value to our customer by delivering reliable, quality and safe products which achieve global recognition.

THERMOPLASTIC HOSE.

Lightweight and flexible, Thermoplastic Hoses are designed for high-pressure applications where space and weight are a concern.

Applications: Aerospace, automotive, high-pressure cleaning

Ideal for Gases, including mixed Gases,

CATEGORIES

- Grease Hose
- Ultra High Pressure Hose
- Sewer Jet Hose
- SAE 100 R1/R2 Hose
- SAE 100 R7/R8 Hose
- Airless Point Spray Hose
- High Pressure Jack Hose
- Heavy Duty Air / Water Hose
- Welding Hose
- Super Spray Hose
- Rockdrill Hose
- PVC Clear Hose
- Car Washing Hose
- Water Blast Hose
- Dunlop Chemical Hose

STAINLESS STEEL HOSE

Offering exceptional strength and durability.

Saifee Hydraulics & Engineering Co.

STAINLESS STEEL CORRUGATED FLEXIBLE HOSE

SS Flexible Hose, Available in SS 304 Hose + SS 304 Braid & SS 316 Hose + SS 304 Braid

Some Preferred Fittings

FLUOROPOLYMERS HOSES

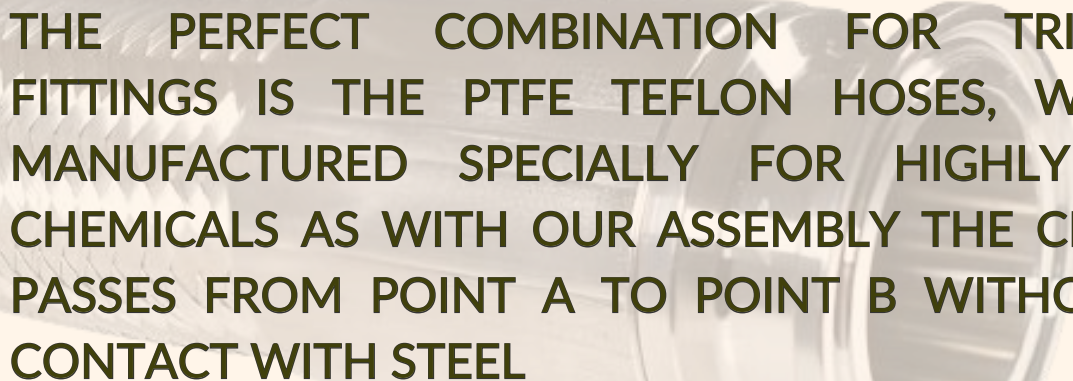

PTFE hose with a stainless steel braid for enhanced durability, pressure handling, and mechanical protection.

SS CORRUGATED HOSE WITH PTFE LINING

PTFE LINED HOSE TO FIGHT HARSH ENVIROMENT

TRI-CLOVER WITH PTFE FLEXIBLE HOSE

A close-up photograph of a PTFE flexible hose assembly. The hose is white and has a braided metal reinforcement visible at the end. It is connected to a metal fitting.

THE PERFECT COMBINATION FOR TRI-CLOVER FITTINGS IS THE PTFE TEFLON HOSES, WHICH IS MANUFACTURED SPECIALLY FOR HIGHLY ACIDIC CHEMICALS AS WITH OUR ASSEMBLY THE CHEMICAL PASSES FROM POINT A TO POINT B WITHOUT ANY CONTACT WITH STEEL

TRI-CLOVER WITH SS FLEXIBLE HOSE

TRI-CLOVER FITTINGS WITH SS FLEXIBLE HOSE GIVES A MAJOR HELP IN AN EASY ASSEMBLY AND SAFE MATERIAL TRANSFER

HYDRAULIC TUBE FITTINGS

INTRODUCING THE PARAMOUNT IN TUBE-TO-TUBE CONNECTORS. We are authorized DISTRIBUTORS for AALIQADR Tube fittings. With us, you are not just getting quality, you are getting the absolute best. When It comes to tube connectors, choose the brand that doesn't settle for good, but constantly strives for the better. Chhose Us, Choose AALIQADR.

HYDRAULIC HOSE CONNECTOR

Introducing Exceptional range of hydraulic hose connectors, meticulously crafted by AALIQADAR's cutting edge facility. engineered with unparalleled precision and quality materials, each connector embodies reliability and durability. experience seamless compatibility and unmatched resilience with our meticulously manufactured hydraulic hose connectors.

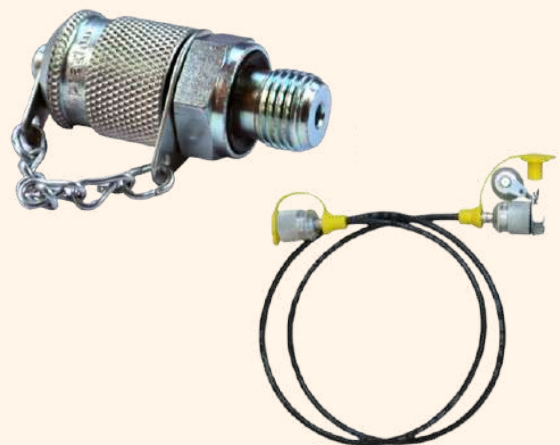

HYDRAULIC VALVES

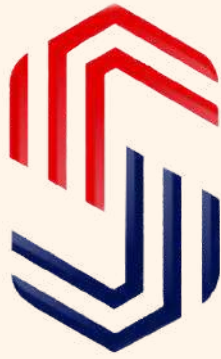

SHOP THE EXCLUSIVE RANGE OF
HYDRAULICS VALVES LIKE BALL VALVE,
HYDRAULIC NRV AND MUCH MORE

MINIMISE HOSE & FITTINGS

We provide high quality
minimise hoses at affordable
prices, catering to various
industries in INDIA. Explore our
products designed to meet and
exceed industry standards
