

A photograph of a dense urban skyline, featuring several tall, modern skyscrapers with glass and steel facades. The buildings are set against a clear blue sky. The image is partially obscured by teal and orange geometric shapes at the bottom, which serve as a background for the text.

# SMART FACADES

## Complete Facade Solutions

A low-angle, upward-looking photograph of several tall skyscrapers in a city, creating a sense of height and urban density. The image is overlaid with a semi-transparent blue filter. The text 'Smart Signs' is centered in the middle of the image.

# Smart Signs

# ABOUT SMART SIGNS

Smart Signs offers complete ACP Cladding and Facade Solutions to real-estate developers, building construction companies, architects and interior designers.

We are a foreign company based in Egypt with our sister concerns in the India and the US. We took the best the west had to offer in terms of experience, innovation, craftsmanship & service and integrated it into our company to give our clients excellent quality, superior service and satisfaction.

Our clientele boasts of accomplished names in the construction space as we have relentlessly scaled upwards in the business. With our expertise in the field, extreme transparency as a business partner, guided sales approach, speedy product delivery and reliable after-sales service, our clients have had (and will have) a great experience partnering with us.

Touted to be one of the fastest growing organization in the field of Aluminium Windows, Glass and Aluminium Composite Panel and Contract Finishing Services, Smart Signs pursues to introduce a modern outdoor and indoor solution. We are here to deliver the finest workmanship and best quality for your construction needs at the most cost-effective rate.

To ensure smooth and prompt deliverables, we apply international standards in executing projects as per the needs of the customer.

# WHY US? WHAT MAKES US SPECIAL

## TRUST US

Trust is the base for any successful alliance and we at Smart Signs give you enough reasons to believe in us. Our dedicated engineers and employees strive to create designs and ensure efficiency that leave our clients take that leap of faith.

## WE HAVE A QUALITY ASSURED PLAN OF ACTION

There are three stages to our plan of action-before, during and after. In this course of time, we conduct constant quality checks to measure and ensure the best for our clients.

## WE ARE COMPLIANT

Ring us up anytime and we will be at your service. But you must know, time isn't the only thing we accommodate but also all your demands and needs.

## SUPERIOR WORKMANSHIP

One of the highlights of our quality measure checks is to assemble the most skilled professionals for the job who deliver excellent workmanship.

## OUR VISION

Our vision is to expand our horizons in Egypt and extend our reach to new heights in the field of Structural Cladding and Facades. With our experienced engineers and workers, superior performance and gifted staff, we aim to achieve the top position on a global platform while we continue to provide innovative novel products with warranted quality, for a modern world.
