Near Chamber Of
Commerce. Karachi.
Pakistan.**

ABOUT US:

Established in 2000s, Saifee Syndicate was founded as family business. Starting off as a small trading firm, we are moving from strength-to-strength, expanding our foot marks.

As one of the largest suppliers in the region, Saifee Syndicate has established its flagship by providing quality products and services to their clients.

At Saifee Syndicate we have created a strong culture based on values that have been a part of our long tradition.

Our goal is to become world class enterprise with long term success.

VISION

To increase groups profitability with expansion and new Business Development & generate growth opportunities for our employees and associates.

MISSION

We strive to offer our clients with fastest procurement services & quality products at the greatest convenience.
