Our Vision

To be a leading maritime solutions provider.

Our Mission

We enable our business partners to achieve their objectives through applied knowledge, experience and innovation.

Our Goals:

Safety: Our first priority is the safe operation of the vessels we manage, with no injuries, loss of life, damage to property or the environment.

Human resources: To be the employer of choice for highly competent seafarers and shore-based personnel.

Customer satisfaction: To meet and exceed our customer's expectations.

Services: To provide high quality, value-added services that fully meet our customers' needs.

Financial: To continuously improve our results in a sustainable manner.

OUR VALUES

Uprightness: Our word is our bond. We are Family owned and private, with a financially sound position.

Fairness: Treating business partners and employees with fairness, keeping commitments, and thereby maintaining the good reputation of the company.

Entrepreneurship: Encouraging initiative and innovation, systematically managing risks, encouraging team work and unbureaucratic business processes.

Responsibility: Ensuring safety at sea, protecting the environment, and being socially responsible.

Our people are essential: Rewarding good performance and results, taking pride in the company's cultural diversity, providing opportunities for continuous learning and development.

Client Centricity: Being agile and flexible, we customise our process so as to be acting in the best interests of the client. We are always open to listen and learn before we speak.
